

Emberly - personalised children's books

A parent uploads one photo of their child. We create an illustrated character of that child, and the child becomes the hero of their own story. Before buying, the parent sees the character we've drawn plus a preview of that character in a scene from the book. The same character then carries into whichever story they choose. The uploaded photo is deleted once the illustration is finished.

AGES	0 to 10
FORMATS	Hardcover and softcover
PRICE	£34.99 UK / \$46.49 US (hardcover)
DELIVERY	Made to Order, 6 to 12 business days from order to doorstep, depending on region
